ABOUT US

Heartbeat Training Academy was established in 2013 with focus on empowering and up skilling the Public and Corporate Sectors in various areas Nationally.

“Injury and even death, can be prevented if one not only acts quickly but also knows what to do.”

Our background comprises of a team of professionals who are Qualified in the following :

- Emergency Care Practitioners Intermediate with over 25years of experience in field services served at KZN Dept of Health.
- Qualified Fitting Engineer ,who impacts the training personally.
- Qualified assessors, facilitators and Moderators.

Working in the Public Health Sector & attending to Emergencies, we have recognised the urgent need for skills training.
